## A GREAT PLACE TO LIVE, WORK AND PLAY

*You may not spend much time thinking about it, but how does government work in Lansdale Borough? Lansdale operates under a Council / Manager government model; this means that Council makes decisions on Borough policy and the Borough Manager is responsible for running the Borough according to established policy.*

# Borough Government

### Borough Council

There are nine elected Council members representing the three wards within the Borough. Each Councilperson is elected to serve a four year term. Council members are charged with the creation of new legislation, adoption of ordinances, resolutions and motions along with the approval of the annual budget. The primary goal of each Council Member is to serve the needs of the constituents from his/her ward and prepare Lansdale Borough for future growth and success.

*See next page for  
Council Members & Wards  
215-368-1691*

### Mayor

The Mayor is elected by Borough residents. The Mayor oversees the Police Department as stipulated by Pennsylvania law. The Mayor also has the ability to cast a tie-breaking vote if Council reaches a tie on adoption of any legislation. This is the only time that the Mayor casts a vote.

*G. Andrew Szekely  
mayor@lansdale.org  
215-368-1691*

### Borough Manager

Borough Council appoints the Borough Manager and it is the responsibility of the Manager to direct the day-to-day operations of the Borough. The manager works closely with all departments to insure the health and welfare of all Borough residents. Lansdale consists of the following departments: Administration, Electric, Public Works, Sewer, Police, Public Works, Parks & Recreation, Code Enforcement and the Library.
